CLUB OFFICER SUCCESSION

The Club is still looking for active members who can participate as active backups for our Club Officers. We're looking for VPs who are willing to become President and backups for Secretary and Treasurer.

FIREARM SAFETY FORKHORN CAMPS

Our club will pay 100% of the fee for students 11-16 to attend summer camp at Baker Park Day camp for Monday through Friday. Info can be found at threeiversparkdistrict.org. Three Rivers has Forkhorn I camp only.

Or if your child would like to go to Deep Portage camp for a week, they have Forkhorn I, II, and III. After Forkhorn I, this enables a student to be able to hunt out of state with this advanced training. You can read about this on deep-portage.org

If you are interested in any of these camps after checking the websites, call Jan Kittok 763-972-2989.

You are responsible for transportation to and from the camps.

GUN OWNERS RALLY

DELANO SPORTSMEN'S CLUB NEW CLUBHOUSE FUNDRAISING

The Delano Sportsmen's Club is building a clubhouse on the new trap range. *This project will be funded solely by donations from individuals and businesses from our community, which is why we're asking for your help.*

GOAL

We're currently working with club member Jon DeWitte from **Worldwide Steel Buildings** on a structure that his company has discounted to the club. **Our goal is to build a quality structure that we will be proud of and be cost efficient doing it.** The clubhouse will be 24'x40' with a 24'x32' covered patio area. Our Phase 1 goal was to reach \$40,000 by the end of October so we can pour concrete this fall – **we've reached that goal!** Phase 2 will be for materials and labor to put up the Clubhouse exterior shell at a cost of approximately \$80,000. We would like to purchase the materials by January so we can put it up this winter/spring. Phase 3 will be to finish off the inside of the clubhouse – **as we could use members who want to volunteer to help**, the cost of that final Phase is TBD.

This is a project where **WE** can make a difference for the next 50 plus years. It will expand the opportunities the DSC will have to offer to our membership. Club members, the Public, as well as the Delano High School trap team, our kids and grandkids will **ALL** be able to benefit from this facility.

The Fundraising committee is asking for your help by donating to get this built. We will keep everyone updated via the club newsletter each month on our progress. If anyone wants to join the committee to help, please reach out to us. We may be sending out emails or contacting members throughout this process.

Please see the options below for donating or reach out to us if you have any contacts that might want to donate any materials or labor for this project. Check can be made payable to **Delano Sportsmen's Club- New Clubhouse**. Please mail them to: **Jeff Graunke**
